

Efficient implementation of your value creation strategy

For the successful implementation of their value creation projects, capital investment companies regularly seek experienced interim managers who translate their strategy into the culture and processes of the often medium-sized portfolio companies.

WE OFFER THE FOLLOWING TO CAPITAL INVESTMENT COMPANIES:

Interim managers with experience in small and medium-sized companies and strong implementation skills with a "pedigree", hands-on mentality and know-how from virtually all branches of industry	Rapid amortization through an effective increase in operational performance and the activation of the value levers in the value creation strategy	Establishment of adequate commercial structures incl. reporting tools (investor cockpit)	Identification of weaknesses and the implementation of corrective actions
Translation of the investment logic into the actions of the management and local staff to minimize friction and retain valuable skilled workers	Knowledge transfer for the management of the portfolio company	Support for cultural change, add-on acquisitions and the exit	Option to take on the interim manager as a permanent position if there is mutual interest
